April 4, 2022

I have 2 formal requests for agenda items on the May 2022 agenda please.

1. Could you please consider and openly discuss the moratorium idea for the industrial solar project that Joe O'Neal has presented at least 5 times previously?
2. Could you please get Don Schroeder an answer and a printed copy of the building permit for the construction at 9200 Ridge Highway? He also has inquired multiple times, yet has not received a firm answer.

Thank you for your time and consideration

Joe Rine
