Old Business

Property Inspection with the Insurance Company. Julia DeJonghe Marshall submitted the renewal paperwork and they will come and meet before the renewal takes place.

New Business

Beth DeJonghe has some concerns due to increased traffic and the road sides needing to be mowed as well as the location of the signs for the solar project. Dean will contact the Road Commission about both issues. The Road Commission mows once a year but it is usually in the fall.

Any complaints about sign locations or conditions of the roads (dust, etc.) please contact Dean and he will contact the Road Commission.

COVID Funds Update: Asbestos removal has been completed. Working on quotes for electricity in the boiler room. Possibly remove boiler and make it a usable space.

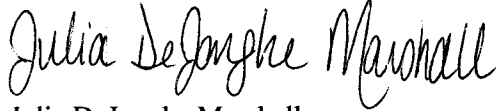

Future Agenda Items: Extend moratorium on future solar projects.

Ordinance Officer update: 4 complaints in May 2023. Dean is working on putting his contact information on the website.

There was a request for Public Comment at the end of the meeting from the May 2023 meeting during public comment. Public Comment will remain at the beginning of the meeting.
