Next Township Board Meeting -August 3, 2026 at 7pm

Next Schedule Planning Commission Meeting October 21, 2026 at 7 pm.

Public Comments

Dean opened for public comment.

No public comments.

Recommended Actions

Approve April 15,2026 minutes.

Motion made by Ronda Miller to accept minutes April 15, 2026 minutes.

Seconded by Yvonne Cadmus.

Motion carried.

Old Business

Sand and gravel pits already have an ordinance in place. Allows for your own personal property use. Not allowed for commercial use.

Data Centers and Battery Storage currently has a Moratorium in place by the Township Board for 12 months with a 6 month extension. Board has asked the planning commission to come up with ordinance regarding Data Centers and Battery Storage. Planning commission will begin researching ordinances from surrounding communities. Some concerns would be safety measures, risks to citizens, fire concerns and the fact that we are not currently equipped to handle these additional centers.

The planning commission will develop an ordinance. A public hearing will be held to hear from community and if the ordinance is passed it will go to the Board or verbiage changed based on public comments.

New Business - no new business

Adjournment

Yvonne Cadmus made a motion to adjourn. Don DeJonghe seconded the motion. Motion carried.

Ronda Miller

Planning commission secretary
