Recommended Actions

Yvonne Cadmus made a motion to accept previous meetings minutes, Ronda Miler seconded the motion, all in favor yes. Motion carried.

Old Business

New Business

Updates to Zoning Ordinances.

Changes made to the ordinance will be drafted and brought before a public hearing.

Discussed were Single Family Homes Zoning specifically North/South of town, main roads and homes on smaller lots. We will be discussing in the future meetings the impact certain activities (ie. home based businesses) and accessory buildings have on neighbors/neighborhoods. This would include the number of accessory buildings allowed as well as size and type of structure. We discussed the use of shipping containers specifically as well. The planning commission members are not in favor of the use of shipping containers as an accessory building nor as a home.

Adjournment

Ronda made a motion to adjourn the meeting. Yvonne seconded the motion. Meeting was adjourned.
